

LAKEVIEW
COVENANT CHURCH
LOVE//FOLLOW//BLESS

Youth Ministries Pastor

Lakeview Covenant looking for an experienced and called pastor who is able to innovate, strategize, and develop the next season of discipleship and missional growth for our middle school and high school ministries. We are a growing church in the east side of Duluth, Minnesota that seeks to Love God and our neighbors, Follow Jesus, and be a Blessing in our world.

Opportunity Snapshot

At Lakeview, we are passionate about connecting with God, building meaningful relationships, and fostering a Christ-centered community. Our mission is clear: to LOVE God and our neighbors, inviting everyone to experience the transformative power of Christ's love. We strive to FOLLOW Jesus in every part of our lives, learning from His teachings and example. We are committed to BLESSING others by using our gifts and resources to make a positive impact in our community and beyond. Our vision is simple: LOVE // FOLLOW // BLESS.

Lakeview has seen significant growth over the past two and a half years, welcoming people of all ages each week. Much of this growth is in our NextGen ministries, including Lakeview Kids (preschool and elementary), Lakeview Youth (middle and high school), and young adults (18-25 year olds). Our Pastor of NextGen Ministries provides leadership oversees all these areas, and we believe it's the right time to add an experienced Youth Ministries Pastor leading our youth into the next season of discipleship and mission.

Lakeview Youth desires to commission life-long followers of Jesus with a deeply formed life and faith rooted in Jesus. With this at heart, we serve about 60 middle and high school youth each week to our midweek and Sunday morning ministries. We also have a dedicated and diverse team of adults who serve as mentors and disciple-makers each week. Our midweek ministry welcomes middle and high schoolers for a robust time of intentional community and friendship, youth-led worship, purposeful Jesus-centered teaching, and meaningful connection in small groups. Sunday mornings are focused providing middle school youth a time of deeper study and formation with scripture and application. We also offer a two-year discipleship course for youth which helps them become more faithful followers of Jesus and confident students of the Bible. We also have a growing number of para-church ministry partnerships at local schools and feel poised for a season of significant spiritual and missional growth.

We are ready to add an experienced and vibrant leader to our team who has a clear love for Jesus and a deep commitment to discipling and equipping youth to Love God and others, Follow Jesus, and Be a Blessing in the world.
